**Do say** : "....."

### PART II. APPROPRIATENESS (15 POINTS)

Give your best response to these situations!

- Tomorrow you will go to Bali and visit Besakih temple with your friends. Mention 5 (five) behaviours that you must obey before, during and after you enter the temple!
- You must meet one of your lecturers soon because they have given you wrong score on your test. Mention 5 (five) behaviours that you must do so they want to meet and fulfil your wish!
- You will celebrate your birthday soon and your parents allow you to invite many friends. Mention 5 (five) behaviours that your friends must obey so your party will not get ruin!

### Part III. VOCABULARY (20 points)

Fill the blanks by choosing the best word in the box below!

caucasian	interlocutors	special	whiteness	challenging
-----------	---------------	---------	-----------	-------------

These have been .....(1) times to be white in America. People who aren't white may find this surprising. After all, it has been decades since white people could feel so free about loving their ..... (2), or talk about how much they relish being white and doing white activities. Recent trends in politics and media have amplified the ..... (3) of pro-white sentiments, who certainly always existed but were traditionally somewhat less overtly vocal. It seems like a .....(4) Christmas for white people almost every week, courtesy of an extra-..... (5) Santa Claus.

impossible	racism	anger	mad	power imbalance
------------	--------	-------	-----	-----------------

Thus, white people getting mad — or publicly performing ..... (6), at least — about white people jokes is actually white people getting ..... (7) about threats to white power. Threats like a woman of color joining the editorial board of the New York Times after telling smarter and funnier jokes than them on Twitter. .... (8) is a mechanism of maintaining an ..... (9) -- making it literally ..... (10), by definition, to be racist against white people, or to tell a racist joke about a white person.

### PART IV. ESSAY ON REAL-LIFE CONTEXT (30 points)

Answer these questions logically and critically!

Imagine that you are a leader. Many employees wear several different hats, completing jobs outside the initial range of their job description. No one dare to complain but one of your new employees asked, "How are leadership responsibilities and performance measured?"

1. How is your reaction showing your feeling and facial expression?
2. What would you like to say or respond to this new employee?
3. What will you do after that?
4. Mention at least 3 (three) benefits of knowing the roles and responsibilities in doing your own job?

### PART V. GRAMMAR (20 points)

Choose *to + infinitive* or *gerund ( verb + ing )* into the blanks below!

1. We like ..... our grandmother on Sundays.
2. I might want ..... some money soon.
3. My father hates ..... a tie to work.
4. We can't afford ..... a vacation this summer.
5. The company was pleased ..... your thank-you letter.
6. Would you mind ..... a window?
7. My suitcase is light enough .....this time.
8. She cannot leave the table without ..... her dinner.
9. The music will continue ..... until you turn it off.
10. My little brother dislikes ..... his hair brushed.
