PRELIMINARY BOOKING CONFIRMATION AND TAX INVOICE

Thank you for booking with J C Travel Professionals.

Please find below your preliminary booking confirmation as well as the price breakdown of your purchase.

Subject to our completion of standard security checks, your nominated payment will be processed and we will issue an electronic ticket(s) for your booking. You will receive your electronic ticket(s) via email once ticketing is completed.

Please ensure you have the necessary travel documents for your trip (e.g. driver's license for domestic travel within Australia, passports and applicable visas and health certificates for international travel). **J C Travel Professionals cannot assume responsibility for travel complications due to incorrect travel documentation.**

Note that all low cost carrier fares (e.g. Jetstar, Tiger Airways, Air Asia, Easyjet, Ryanair etc.) are non-refundable. Airfares on other airlines may be non-refundable but are always subject to cancellation fees from the airline and/or J C Travel Professionals.

All charges are shown in Australian Dollars. If you have made a purchase on an airline identified in the booking process as a "low cost carrier" and travel commences outside Australia, the price shown in Australian dollars is based on a courtesy currency conversion on the date of purchase. Please note that the airline will charge in local currency and your bank may impose a small currency conversion fee (on average approximately 3%) in addition to the airline charge.

In most cases, changes are permitted to bookings on all airlines but are always subject to availability at the time of the change, and are also subject to change fees from the airline and/or J C Travel Professionals.

We thank you once again for choosing to make your purchase with J C Travel Professionals and wish you a pleasant trip.
